PREFACE

Members of Retired ICAR Employees' Association (RICAREA) and the RICAREA Executive committee are glad to present this Directory of RICAREA Members – 2024. It is intended to facilitate networking and collaboration among the Members. This Directory contains all information at one place such as listing of the names and contact details of the RICAREA members and the details of current Office Bearers and Executive Committee Members and Patrons. As far as possible, the latest updated details of the members are given. Names of RICAREA members and contact details are listed alphabetically State-wise. Alphabetical name index of RICAREA members is provided with serial number as Index pointer in "Member's Directory" for easy location of the members' details. Year of Birth of the member is also provided in the Alphabetical Index against each member.

We thankfully acknowledge the messages from all the Members who provided their updated details for completion of this Directory.

We hope this publication would serve as a valuable tool to RICAREA Members and other interested groups.

RICAREA Executive Committee

INTRODUCTION

Retired Indian Council of Agricultural Research Employees' Association, (RICAREA) is the leading national body that strives to ensure the welfare and professional interest of all retired scientific, technical, administrative and supporting staff of the ICAR. As part of its professional activities RICAREA works to promote and further the ideals and objectives of the Indian Council of Agricultural Research, by providing services to Governmental Agencies, NGOs, Public and Private enterprises and farming community. The Association was registered in Hyderabad under the Andhra Pradesh (Telangana Areas) Public Registration Act 1350 Fasli (Act 1 of 1350 of November 22, 1997).

Through RICAREA, members are empowered to work towards reaching their goals, exert their influence as a group for resolving problems of larger interest of agriculture, protect their legitimate rights and find solutions to the problems of Indian Farming community.

OBJECTIVES OF RICAREA

- To serve as a pool of resource persons for scientific and extension bodies.
- To bring about awareness of developments in science and technology among the farming community and general public.
- To recognise and felicitate outstanding scientists for their life time achievements.
- To safeguard the general welfare and to provide a forum for sustaining professional interest of the members.

ACTIVITIES OF RICAREA

- ❖ Publication of Newsletter covering topics of Scientific, administrative and health interests.
- ❖ Organizing special seminars of topical interest.
- ❖ Rendering voluntary advice to the farming activities community, various input agencies and public / private sector organizations.
- ❖ Take care of welfare of the members.
- ❖ Honouring senior members on the Annual Day of the Association celebrated every year.
- ❖ Honouring outstanding Scientists and farmers for their achievement

WEBSITE

A website (www.ricarea.org) was launched to disseminate information about all activities of RICAREA or members as well as other interested organizations. The website includes brief profiles of all members besides other interesting information of Agriculture and allied areas.
